March 21, 2020

Members of the Blue Knights,

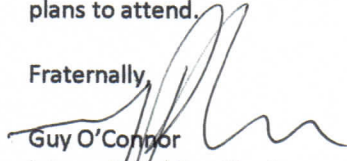

As you all well know we are dealing with a worldwide pandemic effecting all facets of our lives. Unfortunately this means we need to be flexible with the events that have been disrupted across the Blue Knight's world. Sadly I must announce that Ireland 1 has had to postpone the 2020 International Convention in Killarney, Ireland until June of 2021.

The International Board of Directors met today and voted on moving the date of the 2021 International Convention from July 2021 to the 13th thru 18th of June, 2021. We also awarded the 2021 Convention to Ireland 1 and it will again be held in Killarney, Ireland.

The International Board of Directors will be working hard to find a suitable location to hold our annual membership meeting. The dates and times will most likely be in the late summer months of August or September 2020. Again these are difficult times and we must all adapt to them.

Once a location and date has been secured, you the members will be informed ASAP so you can make plans to attend.

Fraternally,

Guy O'Connor
International President
Blue Knights LEMC
